

Ground Trailer Range

We offer a complete range of ground trailers in different sizes and for different load capacities, meaning that you can carry whatever implements or machines you need, such as wood or bottling units. Moreover, our steered axel feature and / or hydraulic drawbar make our models easier to manoeuvre

Standard model

Simple smooth flatbed
Fixed drawbar with hydraulic parking stand
Mechanical and hydraulic brakes
Lights, approved for road use - 25 km/h

Options available

Steered axel
Hydraulic drawbar
