

PFSP Pneumatic Fruit Farming Range

The flatbed trailers in our PFSP range are a must-have for transporting fruit.

With their winning combination of a swing arm and air suspension, they ensure your harvest will be transported safely in one piece.

They come in two-wheel models to make it easier to manoeuvre, or four-wheel models for maximum comfort.

Standard model

Air suspension

Surrounded by a mudguard

Front drop side

Mechanical and hydraulic brakes (**dual hydraulic line + mandatory ABS connection on the tractor**)

Lights, approved for road use - 25 km/h

PFSP-12
